Entrant	Any student from institute of learning as of September 1, 2009		
Eligibility Number of Entries	<p>There is no limit to the number of entries.</p> <p>Each person may enter as many times as they wish</p> <p>A work may be submitted by a group of students.</p>		
Theme	<p>In search of the Way of Light....</p> <p>Earth-friendly Lighting</p> <p>—Form of new era created by light and shadow</p> <p>Light can give life to inanimate objects. In this sense, we can say that it is life itself.</p> <p>It is believed in Japan that "shape" was created by light and shadow in the age of mythology.</p> <p>Now, in the 21st century, we have new light sources and even greater concern over the environment than before when choosing materials and how to use them. Please create lighting with a design that tells a story suitable for these times.</p>		
When to Enter	<p>Application Period</p> <p>September 1, 2009 to January 31, 2010</p>		
Where to Enter	Send entries to the respective contact point in your area.		
How to Apply	<p>Please submit the application form and your work along the following criteria.</p> <ul style="list-style-type: none"> ●Please mount your work's photographs, drawings, sketches and other materials on construction paper. Maximum size should be 364mm x 515mm. There are no restrictions on the number of submitted pieces. ●Please send an entry slip along with your work. But do not glue the entry slip directly to your work. ●Please make copies of the application form or entry slips in case you need extra. 		
Preliminary Competition	<ul style="list-style-type: none"> ●The preliminary competition will be made on the basis of the photographs, drawings or sketches that have been submitted. 		
Final Competition	<ul style="list-style-type: none"> ●The final competition will be judged after evaluation of the actual entry. (Only those who qualify for the final competition will be notified.) ●In regards to the creation of your work, after your work arrives we plan to supply each entrant with financial aid. (¥30,000) ●If you desire, our company can provide advice about the construction of the entry. <p>Details will be provided directly to those who pass the preliminary competition.</p>		
Judging Conditions	<ol style="list-style-type: none"> 1. The entry must be in harmony with the competition theme. 2. The design should be polished, refined and interesting. 3. It should have a new unique idea and inspiration. 4. The design should be based on a well conceived plan and follow it. 5. The entry should clearly show the purpose and aim of the object. 		
Design Competition on the Web	<p>Designs that have passed the first-round of jury will be put up on our web page, where we will have the Design Competition on the Web with the votes from selected Teachers, Architects, Designers, Journalists and all others from around the world. (http://www.koizumi-designcompe.com)</p> <ul style="list-style-type: none"> ●Best Design Award (1) ————— certificate and prize ●Excellent Design Award (2) ————— certificate and prize
